5 November 1959

MEMORANDUM FOR: Chief, Engineering Division, TSS

SUBJECT   :   Identi-Kits

1.   I have canvassed the operating divisions for their estimates on the number of Identi-Kits they believe they will need in the immediate foreseeable future, over and above the Identi-Kits now already in use. Following is a list of the number of Identi-Kits requested:

              AF Division --   8
              EE Division --   6
              FE Division -- 19
              NE Division --   6
              SR Division --   3
              WE Division -- 11
              WH Division --   6

              TOTAL   59

2.   IO Division did not express any requirement. From a conversation with [   ] I understand he will contact IO Division directly to explore further the uses that IO could make of Identi-Kits.
